

Misty Edwards-Matheson

Misty Edwards-Matheson is a community-minded individual who loves helping people thrive. She grew up in Pryor and graduated from Pryor High School before spending about twelve years away. When it came time to raise her family, she knew exactly where she wanted to be — back home in Pryor.

Misty served in the Army National Guard from 1989 to 2001, with assignments in Oklahoma, Hawaii, and Florida. Her time in the Guard shaped her love for teamwork, service, and lifting others up — something that still shows in everything she does today.

She's now the Branch Manager for Express Employment Professionals in Pryor, where she connects people with meaningful jobs and supports local businesses with their staffing needs. With over 30 years of experience in marketing, events, and community-driven work — including two decades in the automotive industry — Misty brings energy, creativity, and a big heart to every project.

Misty's roots in Pryor run deep. Her two daughters, Lindsey (2012) and Beverlee (2019), are both proud PHS graduates, and she now has three amazing grandsons who keep her busy. Most of her free time is spent at ball fields, gyms, and courts, cheering them on at their sporting events.

She's passionate about giving back and has volunteered with organizations across Mayes County, including Oklahoma Freedom Flight, the Boys & Girls Club of Green Country, and the American Red Cross. She has also served as a Pryor City Council member and was part of the DROP Task Force, working to help improve local decision-making and community planning.

Misty is proud to call Pryor home and loves being part of the people and projects that help the community grow stronger.
